ACHIEVEMENT ✓

Trade Fair 2017 !

For the first time, E4T attended the Promote trade fair. This biyearly event focused on companies, medium companies & international business partnership, took place in Yaoundé (Cameroon).

LIBERIA : Japan Heavy Equipment Operator School (JHEOS), with the UNIDO partnership, has contracted with E4T for their workshop expansion in Kakata. E4T completely closed the current building, and built a new training center by using, for the very 1st time, 40'HC shipping containers as foundation.

ACHIEVEMENT ✓

IVORY COAST : Carrefour / CFAO consortium relied on E4T to produce and install the cold rooms and laboratories of their 2nd Sud-Saharan supermarket, the Palmeraie project in Abidjan. E4T accomplished this project within 6 weeks.

IN PROGRESS

BURKINA FASO : CIS Catering is handling a double project for Semafo (200 PAX and 50 PAX mining kitchen). E4T is in charge of conception, supply and assembly of the both projects. The erection shall be done by E4T on the new mine Natougou.

IN PROGRESS

BURKINA FASO : Burkina Equipements Rental was looking for a solution for its 777 heavy trucks maintenance. They relied on E4T for the conception and building of a mobile, ventilated and insulated workshop, featuring 2 huge working areas (12m high) and a bridge crane (10T).

New partner !

E4T is proud to introduce its new local dealer, the company MOUAWIYA, established at Douala in Cameroon.

MOUAWIYA is from now in charge of the commercial development, & the technical support in:

- Cameroon.
- Equatorial Guinea.
- Central African Republic.
- Chad.

Thank you for placing your trust in us. We remain at your entire disposal for any clarification you might require and any further project we could study !
